ANTARCTICA

Below is just a sample of an immersive itinerary with Atlas Ocean Voyages. Visit [Journese.com/itineraries](https://Journese.com/itineraries) or [Journese.com/cruises](https://Journese.com/cruises) for more options.

**WORLD TRAVELLER™** | Inspired by Italian signature style, embrace the sweet life aboard this sleek state-of-the-art yacht. Experience an atmosphere of overall well-being in plush staterooms and suites with bespoke amenities, inspired gourmet dining options and refined social spaces including lounges and an auditorium for enriching presentations. Keep fit with a running track, fitness studio, pool and whirlpools or visit the spa for relaxing therapies. Carrying up to 198 passengers with a high staff-to-guest ratio, the yacht quietly sails closer to remote sites with a world-class expedition team on all Zodiac landings, all with a commitment to protecting the ecosystem and creating epic moments.

**DAY 1 | USHUAIA, ARGENTINA** | Your fantastic voyage begins at the gateway to Antarctica in the southernmost city of South America known as *The End of the World*, Ushuaia, Argentina. Set on the Isla Grande Tierra del Fuego archipelago bounded by snow-capped mountains and straddling the Beagle Channel, experience this rugged picturesque city, its imposing landscapes and Maritime Museum. Following embarkation, meet your Captain, expedition team and crew as you delight in a welcome champagne reception as you set sail.

**DAYS 2 - 3 | AT SEA IN THE DRAKE PASSAGE** | For the next 48 hours, navigate this exhilarating waterway where the cold southern waters mingle with the warmer northern seas on your way to the Antarctic Peninsula, the northernmost site of *The White Continent*. The excitement increases with opportunities to spot curious hourglass dolphins, and humpback, fin, orca and minke whales, as well as welcome sounds of petrels, gulls and skuas, with possible black-browed albatross sightings. Following this incredible journey through the Drake Passage, considered to be a rite of passage to Antarctica, immerse in the sights of soaring rocky snow-covered peaks as your ship arrives in the South Shetland Islands.

**DAY 4 | SOUTH SHETLAND ISLANDS** | A chain of ice-laden islands adjacent to the northern Antarctic Peninsula, discover a wealth of wildlife including penguins, seals and shags, plus breathtaking landscapes, ecosystems and scientific research outposts. Explore Elephant Island, home to elephant seals, and the active volcanic caldera of Deception Island, plus traverse the crescent-shaped Half Moon Island and steep cliffs of ice-free Barriento Island, both offering an abundance of opportunities for hiking, penguin sightings and exploration. Greenwich Island is another possible Zodiac landing in glacial-rimmed Yankee Harbor and Point Wild.

**DAYS 5 - 7 | EXPLORE ANTARCTIC - CAPTAIN'S CHOICE** | As intrepid explorers you'll enjoy witnessing extraordinary wildlife, the massiveness of icebergs, the grandeur of glaciers and snow-covered landscapes. Your Captain and expedition team will traverse the sea in search of the best sites and weather conditions for Zodiac landings, kayaking and exploration. Sites may include Beak Island, Brown Bluff's rock formations, the glacial face of Cierva Cove, scenic Hidden Bay and beyond.

**DAYS 8 - 9 | AT SEA IN THE DRAKE PASSAGE** | Say farewell to the magnificent 7th continent as you cruise the Drake Passage back to Ushuaia. Reminisce with your fellow explorers about the enriching life-changing moments in the southernmost realms on the earth, while keeping watch for lively marine life and the birds that follow the ship. Enjoy the ship's many amenities and savor great cuisine and wine with an *Après Sea* celebration before your final dinner.

**DAY 10 | USHUAIA, ARGENTINA** | Begin your day with a delicious breakfast spread before disembarkation in Ushuaia. Continue with a post-cruise hotel stay or journey to your next destination.
