<sup>1</sup>FREE Onsite COVID-19 Testing Offers: FREE Antigen COVID-19 testing applies to all hotels under the resort chains noted with the exception of Sandals Royal Bahamian and Sandals Great Exuma. Booking and travel windows vary by resort chain and may require a minimum-night stay. Please refer to our Traveler Support page for updated information. Some destinations, such as the Bahamas, may require a Traveler Health Visa to be purchased prior to departure. Certain restrictions may apply. Offers subject to change or cancellation without notice.

<sup>2</sup>AMResorts: The Hospiten testing program will be available onsite across most AMResorts destinations with a few exceptions. Curaçao properties will provide the viral antigen test at no cost to guests at an off-site testing location. Saint Martin and Costa Rica do not currently offer the COVID-19 viral antigen test in destination, therefore the resort will help facilitate the CDC-required testing at an off-site location at an additional cost to the guest.

<sup>3</sup>Riu Hotels & Resorts: FREE COVID-19 Testing is not valid at Riu Resorts in Aruba and Bahamas.
