INSIDER TIPS

- The best places to see the fall foliage in Tokyo include Yoyogi Park, Meiji Jingu Gaien Icho Namiki, Hamarikyū Gardens, Shinjuku Gyoen National Garden and Ueno Park.
- Contrary to popular belief, drinking and dining in Tokyo does not have to break the bank. In fact, it is significantly less expensive than other popular foodie capitals around the globe. So, bring your appetite and prepare to dig in. And, don't worry about understanding the menu - an increasing number of restaurants have English-language menus.
